

# Component Selection "Decision Tree"

## NEPTUNE Inverters

NEPTUNE Inverter	
	<b>select</b>
480VAC	NEP-100KW NEP-75KW NEP-50KW NEP-33KW
<b>or</b>	
208VAC	NEP-30KW

Galaxy Data Comms	
	<b>select</b>
100kW 75kW	Galaxy-Maxi
<b>or</b>	
50kW 33kW 30kW	Galaxy-Mini

Gateway
Select
Galaxy-Wifi
<b>or</b>
Galaxy-Cell

RSD Devices
<b>select</b>
Panel ISC < 15Amp PVG-2-15A-L PVG-3-15A-L
<b>or</b>
Panel ISC > 15Amp PVG-2-20A-L PVG-3-20A-L

AC Voltage at application;  
480Vac or 208Vac

Pick kW power level inverters  
Add 15, 20 year warranty if needed

Every inverter requires one comm board  
Either Galaxy-Maxi, or Mini

75-100kW family = Maxi  
30-50kW family = Mini

One Gateway supports up to 10 Inverters

Galaxy-Wifi = Wifi, Ethernet  
Galaxy-Cell = Wifi, Ethernet + Cellular

OK to mix duals, triples

Add "Frame mount clip" if needed  
Add "Scanner" - one per crew  
Add "PVG-T" tester, one per crew

\* If question, contact your NEP sales lead, or HOTLINE; 888-598-9901

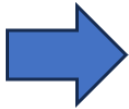

\*Custom Configurations, optional

# Component Selection "Decision Tree"

## NON-NEPTUNE Inverters

NON-NEPTUNE Inverter
<p><b>select</b></p> <p>Transmitter, External enclosure kit PVG-O-D</p> <p><b>or</b></p> <p>PVG-O-TF if no 277Vac, TF transformer</p> <p><b>or</b></p> <p>PVG-O-CK if cellular kit needed, CK</p> <p><b>or</b></p> <p>PVG-O-TF-CK if need transformer and cellular kit</p>

RSD Devices
<p><b>select</b></p> <p>Panel ISC &lt; 15Amp PVG-2-15A-L PVG-3-15A-L</p> <p><b>or</b></p> <p>Panel ISC &gt; 15Amp PVG-2-20A-L PVG-3-20A-L</p>

Add "Frame mount clip" if needed  
Add "Scanner" - one per crew  
Add "PVG-T" tester, one per crew

PVG-O kits include;  
Gateway  
Wifi Connectivity

One kit required per inverter

OK to mix duals, triples

\*Custom Configurations, optional

\* If question, contact your NEP sales lead, or HOTLINE; 888-598-9901
